How the Study Programme Works

- Your final day at school will be **Friday 20th June**, but note there is a contingency day on **Wednesday 25th June** in case any exams are cancelled.
- Attendance at all sessions is compulsory.
- Sessions are written in priority order so if you do Sports and Geography. If sports studies is first in the list, this is the one you will attend. *
- Failure to attend sessions may lead to refusal to attend the school prom.
- In subjects where you take your exam early, you will use those lessons to prepare for other subjects – work will be provided for you.
- Sessions are in **black** and **exams are in green**.

Rules for Exams and Study Sessions

- Please refer to the booklet you were given with your exam timetable.
- Full school uniform must be worn at all times.
- No mobile phones OR watches allowed in exams and **ALL** papers must be completed in black ink throughout.
- Ensure you are focused and concentrating throughout all sessions and use all the time you have available.
- A student who disrupts sessions will receive a sanction; this could lead to them losing their place at the school prom.

Your 9 lives to continue – you will be told why you could lose a life.
