

Preparing for success – ‘No barriers, No excuses’

Year 10 Summer 2026 Independent study work

Aim of this work: To ensure you have a thorough understanding of key content which you have learnt in Year 10 to prepare you for success in Year 11.

When do I need to hand this work in? It needs to be handed to your teacher on return from the Summer holidays, this can be via email or handwritten.

This document has also been emailed to you and parents.

This time next year you will have finished year 11. This summer homework is part of your preparation for your November mocks. It is key that:

- We make every day count, have a restful summer but also a productive one.
