

Missing pupil policy and procedures for when a pupil is not collected on time

A child going “missing” refers to any pupil whose whereabouts cannot be established. For example, a pupil is required or expected to be in school but has failed to show and their whereabouts are unknown.

Part 1: Missing Child Policy

This policy covers:

1. Information for parents
2. Action to be followed by staff if a child fails to attend first day of school
3. Duty to report
4. Actions to be followed by staff if a pupil goes missing from the School
5. Actions to be followed by staff if a pupil goes missing on an outing
6. Actions to be followed by staff once the pupil is found

Introduction

The welfare of all our children at The Cornerstone Academy (“the School”) is our paramount responsibility. A pupil going missing from education, particularly on repeat occasions, is a vital warning sign of a range of safeguarding issues including sexual abuse or neglect and sexual and/or criminal exploitation. It may also indicate mental health problems, risk of substance abuse, risk of travelling to conflict zones, county lines, so called 'honour based' abuse and/or risk of female genital mutilation and forced marriage. Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in future.

Every adult who works at the School has been trained to appreciate that they have a key responsibility for helping to keep all of the children safe at all times. This includes the importance of effective information sharing to ensure our children are safe and receiving suitable education. Where staff have concerns that a child is missing from school, this policy should be followed.

Every member of our staff who works with children has read Part 1 of *Keeping Children Safe in Education* (KCSIE). Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he or she is in our care.

The School will always consider the wider circumstances around a child going missing from School and whether there are wider safeguarding concerns that may need to be addressed in line with the School's Safeguarding Policy.

This policy should be read in conjunction with the School's Safeguarding Policy and code of conduct. This policy was drawn up having had regard to the Independent School Regulatory Requirements, Department for Education's guidance KCSIE and '*Children Missing Education*'.

1. Information for parents

All safeguarding policies are reviewed regularly (at least once a year as a minimum) by the School's Local Governing Body in order to satisfy ourselves that they are robust and effective. This policy is ratified annually by the United Learning Group Board in conjunction with the School's Safeguarding Policy and Procedures.

Where reasonably possible, the School will hold more than one emergency contact for each pupil. This is to give the School additional options to make contact with parents and/or a responsible adult when a child missing education is also identified as a welfare and/or safeguarding concern.

All new staff receive a thorough induction into the importance of effective supervision of all pupils, what to do if a child goes missing and are required to read Part 1 of KCSIE, or Annex A of KCSIE if their role does not require them to work directly with children.

In addition, all pupils and parents will be made aware of the following through information evenings, letters and bulletins:

- Arrangements when arriving at school and leaving the premises at the end of the day
- Arrangements for registration in both morning and afternoon. Parents are responsible for notifying the School if their child is absent for any reason. The School will always contact the parent if the child fails to arrive at school without an explanation.
- The physical security measures which prevent unsupervised access to or exit from the building, including onsite supervision, including of the playground and the physical barriers that separate it from the rest of the School.
-

2. Actions to be followed by staff if a child fails to attend first day of school.

All new pupils are placed on the School's admission register at the beginning of the first day on which the School has agreed that the pupil will attend the School.

If a child fails to attend on the agreed date, staff must inform Designated Safeguarding Lead/ Deputy Designated Safeguarding Lead without delay. The Designated Safeguarding Lead will undertake reasonable enquiries to establish the pupil's whereabouts and will consider notifying the local authority at the earliest opportunity. If the Designated Safeguarding Lead/ Deputy Designated Safeguarding Lead/ Attendance Officer believes the pupil is in immediate danger or at risk of harm, a referral should be made to children's social care (and the police if appropriate) without delay.

Where there are changes affecting the child (including a change of address or school), these will be reflected in the admission register. This will assist the School and external agencies when making enquiries to locate any missing children.

3. Duty to Report

The School monitors attendance closely and will take action to address poor or irregular attendance. The School will inform the local authority (and the local authority where the child is normally resident) of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more without permission.

Where a pupil has not returned to school for 10 school days after an authorised absence or has been continuously absent without authorisation for a period of not less than 20 school days (and there are no reasonable grounds to believe the pupil is unwell or unable to attend because of any unavoidable cause), and the School and local authority have failed, after jointly making reasonable enquiries, to ascertain where the pupil is, the School may delete the pupil's name from the admission register. The School will inform the local authority of such deletion no later than the time at which the pupil's name is deleted from the register.

The School also recognises its wider reporting duties following deletions from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006, to help identify children who are missing education and/or otherwise at risk of harm.

4. Actions to be followed by staff if a pupil goes missing from the School

The School's procedures are designed to ensure that a missing pupil is found and returned to effective supervision as soon as possible.

If a pupil was found to be missing the School will carry out the following actions without delay:

During the course of the investigation into the missing child, the School, in consultation with Children Services, will decide what information should be given to other parents, staff and other pupils and how press enquiries are to be dealt with.

A record will be kept by the School of any instances in which a pupil is missing from School without satisfactory permission and documentation, including the action taken and the pupil's explanation. In addition, a full record of all activities taken up to the stage at which the pupil was found will be made. If appropriate, these procedures will be adjusted.

A full record of all activities taken up to the stage at which the child was found would be made for the incident report. The School will review its procedures and, if appropriate, these would be adjusted.

6. Actions to be followed by staff once the pupil is found

- Talk to, take care of and, if necessary, comfort the pupil
- Speak to the other pupils to ensure they understand why they should not leave the premises/separate from a group on an outing

Part 2: Procedures to be followed by staff when a child is not collected on time

Introduction

The School undertakes to look after all pupils safely throughout the time that they remain under our care. It is recognised that the majority of pupils will independently leave site at the end of the school day, or following pre-arranged afterschool activities. The School will utilise this part of the policy should a pupil be on site after the end of the school day, or after the extra curricular activity has finished. This part of the policy can also apply to school trips that have communicated a collection time that is different to the normal school day. This will apply until such a time as they have been collected by a parent, guardian or carer, or until appropriate alternative care arrangements have been made with Social Care and/or the Police in order to prioritise a pupil's safety.

Procedures if a pupil is not collected on time

If a child is not collected within half an hour of the agreed collection time, we will call the contact numbers for the parent or carers. Where reasonably possible the School will hold more than one emergency contact number for each pupil. If there is no answer, Reception team/ Progress team/ Principal/ DSL/ Trip leader will begin to call the emergency numbers for this child. During this time, the child will be safely looked after.

- If there is no response from the parents' or carers' contact numbers or the emergency numbers within a one hour period or when the premises are closing (which ever happens first), the DSL will contact/refer to their local Children Services Department 01202 228866 to seek advice and agree what actions should be taken and by whom. This may include contacting the police.
- Children's social care will make emergency arrangements for the child and will arrange for a visit to be made to the child's house and will check with the Police.
- The School will look after the child safely throughout the time that they remain under the School's care, until such a time as they have been collected by a parent, guardian or carer, or until appropriate, alternative care arrangements have been made with children's social care and/or the Police in order to prioritise the child's safety.
- Follow any specific local safeguarding procedures.
- If any concerns about the child's safety and welfare result, these will be dealt with in accordance with the School's safeguarding procedures detailed in **the staff** code of conduct and School's Safeguarding Policy.

Records

The School's DSL will keep a record of incidents, via CPOMS, where parents/carers do not collect a child from school or are late for no explained or good reason, or where there are repeated incidents.
