Integrity Hard Work Compassion

How the Study Programme Works

- Your final day at school will be **Friday 19th June**, but note there is a contingency day on **Wednesday 24th June** in case any exams are cancelled.
- Attendance at all sessions is compulsory.
- Sessions are written in priority order so if you do Sports and Geography. If sports studies is first in the list, this is the one you will attend. This is also noted by a * on the session.
- Failure to attend sessions may lead to refusal to attend the school prom.
- In subjects where you take your exam early, you will use those lessons to prepare for other subjects – work will be provided for you.
- Sessions are in **black** and **exams are in green**.

Rules for Exams and Study Sessions

- Full school uniform must be worn at all times.
- No mobile phones OR watches allowed in exams and **ALL** papers must be completed in black ink throughout.
- Ensure you are focused and concentrating throughout all sessions and use all the time you have available.
- A student who disrupts sessions will receive a sanction; this could lead to them losing their place at the school prom.

Your 9 lives continue – you will be told why you could lose a life.
